**Subject:** RE: Sen. Mills: TANF grant reduction

David,

We have contracts with the following two entities to provide services for our Alternatives to Abortion TANF Initiative:

- Caring to Love Ministries – contract for \$485,629 from 7/1/15 through 2/29/16
- Family Values Resource Institute Inc. – contract for \$354,370 from 7/1/15 through 2/29/16 (Women's Center is a subcontractor for this one)

The two contracts and their funding end 2/29/16 and we will not renew or initiate new contracts for these services due to our budget reductions..

Sammy

**Subject:** Sen. Mills: TANF grant reduction

Hi David - Senator Mill's district office received a call from the Women's Center in Lafayette to inquire into the reduction of a TANF grant by DCFS that was used for their abortion alternatives initiative. They have been told that the grant will no longer be funded after this month. The Senator asked that I get some information from your office on this grant, including how much it was and whether this is part of the DCFS overall budget reduction plan. Please advise with appropriate response for the Senator.

Thanks,  
Christine
